

Ideas for selecting attendees for the California working group

Washington DC
Initial working group

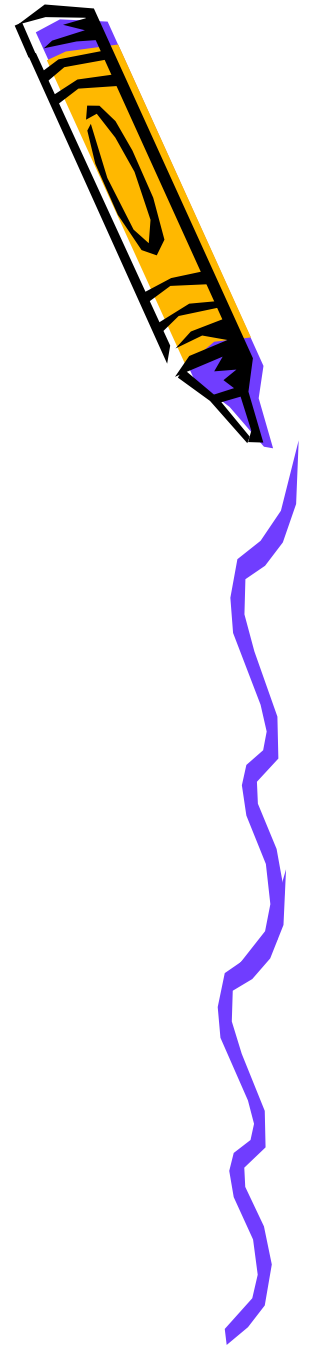

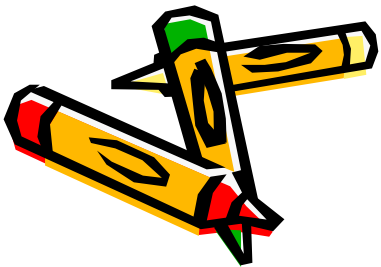

People whose ideas contributed

- John Albertini (NTID)
- Sue Foster(NTID)
- Dee Klein(Indiana U of PA)
- Joe Fischgrund (PA school)
- Caroline Guardino (UA doctoral student)
- Larry Hawkins (OK school)
- Jean Andrews (Lamarr)
- Sue Rose (U of Minnesota)

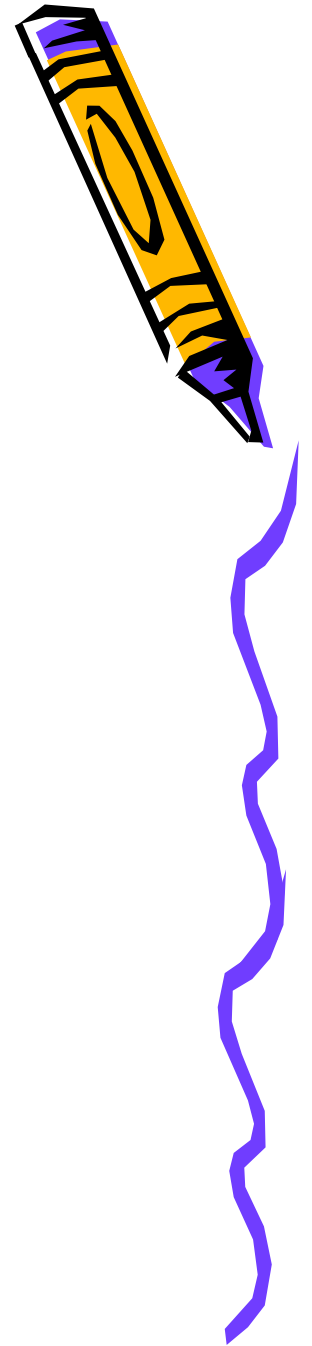

Research representation

- Represent
 - groups who conduct research and evaluation (NTID?)
 - Programs that conduct research and evaluation

Representation by diversity

- Geographic
- Gender
- Hearing status
- Program philosophy

Representation by role

- Consumer groups
 - Special ed directors
 - Superintendents of Center schools
 - Parents
- Professional Organizations
- NAD
- Doctoral students

Where to have future meetings

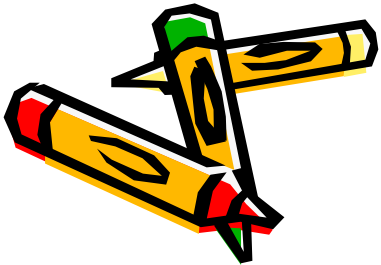

- Center Schools

- (note: only one more meeting is planned in conjunction with ACEDHH in CA. As recipients of an OSEP grant we will need to have one person in July at the OSEP project Directors meeting)

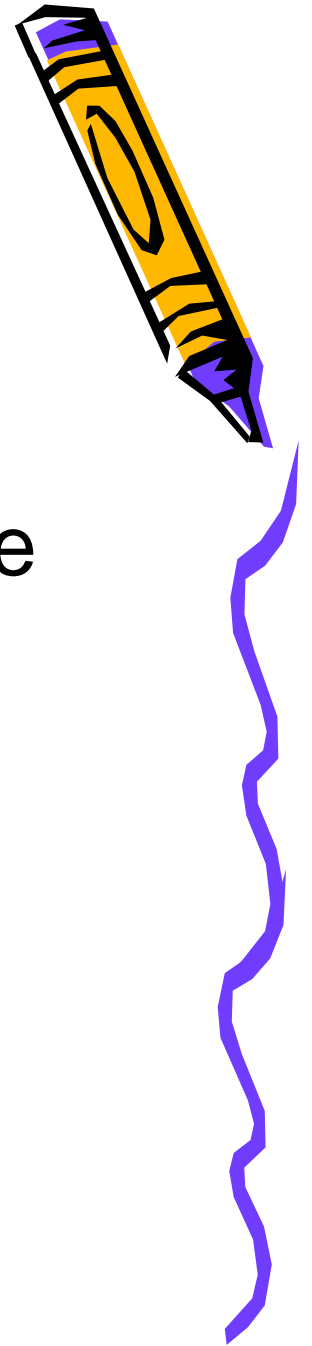

Process of choosing representatives

- Invite applications from all teacher prep programs
- Request info re demographic characteristics, faculty expertise
- Request statement that they will be committed to assisting in grant development
- Select representatives based on diversity

Process cont.

- Classify teacher prep programs or individuals by characteristics and use stratified random sampling.

Communication

- Communicate with all members of consortium or working groups
 - Website?
 - List serv
 - Need some way of making representative decisions without having to wait on lots of people
 - Use online surveys and focus groups
